**ECPN "MEET THE SCIENTIST" DINNER**

DATE: Wednesday, May 26, 2004

TIME: 7:15 PM - 9:15 PM

One of the many exciting opportunities that the upcoming SPR meeting affords is the chance to meet the people whose research has been meaningful in the development of our own work in the prevention field. At this event, senior-level prevention scientists whose research covers a variety of domains (substance abuse, school-based interventions, aggression, early childhood, methodology) are invited to join ECPN members for an evening of relaxed conversation at a local restaurant.

If you are interested in attending the dinner, please print this form and fax to (703) 288-0802) or mail to address below by **MAY 14<sup>th</sup> at 5pm.**
