

## **Society for Prevention Research**

### **Call for Papers 14th Annual Meeting**

#### **"Applying Prevention Science to Reduce Health Disparities"**

**Hyatt Regency Hotel, San Antonio, Texas,**

**May 31 – June 2, 2006**

**Pre-conference Workshops May 30, 2006**

The Program Committee of the Society for Prevention Research (SPR) invites submissions for presentations within all content areas of public health, education, human services, criminal justice, and medical science. Relevant topics include, but are not limited to: reduction of health disparities, health promotion and disease prevention, maternal health, infant and child health, mental health/mental disorders, family conflict, substance abuse and addiction (alcohol, tobacco, illicit drugs), violence prevention, delinquency, crime, academic failure, dropping-out of school, cardiovascular disease, cancer, diabetes mellitus, HIV/AIDS and other sexually transmitted disease, unintended pregnancy, unemployment, occupation safety, auto accidents, unintended injury, poverty, welfare, and managed care, policy-based interventions. Submissions for presentations may include individual paper and poster presentations, organized paper symposia, poster forums, round-table discussions/scientific dialogue sessions, and technology demonstrations.

#### **Themes**

##### **2006 Special Topic Themes**

- \* International Collaborations for Prevention Research
- \* Integrating Biological & Social Factors in Prevention Research
- \* Promoting Well-Being
- \* Early Adolescence

##### **Emerging Opportunities for Prevention Research**

- \* Diabetes and Obesity Prevention and Management
- \* Innovations in Development of Prevention Interventions
- \* Monitoring Systems for Youth and Children
- \* Violence Prevention
- \* Addictive Behaviors
- \* Exploring Intervention Fidelity and Adaptation

##### **Basic Prevention Research Themes**

- \* Epidemiology
- \* Etiology
- \* Efficacy trials
- \* Effectiveness trials
- \* Dissemination

##### **Cross-cutting themes**

- \* Multivariate Model Testing
- \* Innovative Methods
- \* Cultural Competence
- \* Fetal and Childhood Origins of Adult Chronic Illnesses

All abstracts are submitted on-line at [www.preventionresearch.org](http://www.preventionresearch.org)

**The abstract site will open September 5. Deadline for Submission: October 10, 2005**
