The International Program and Division of Epidemiology, Services and Prevention Research (DESPR) of the National Institute on Drug Abuse (NIDA) will host the 5th Annual NIDA International SPR Poster Session at the SPR 20th Annual Meeting in Washington, DC, May 29–June 1, 2012. The poster session will take place in conjunction with the SPR opening reception following the preconference workshops on May 29, 2012. Posters will highlight drug abuse prevention-related research, including research on drug-related HIV/AIDS prevention for drug-using populations. Eligible research must have been conducted in international settings by international researchers, domestic researchers, or binational teams. Poster abstract submissions for the NIDA International SPR Poster Session will undergo the same peer review process as other submissions for SPR. If you have questions about your eligibility to submit a poster abstract for the NIDA International SPR Poster Session, please contact Eve Reider, Ph.D., Prevention Research Branch, NIDA, at [ereider@mail.nih.gov](mailto:ereider@mail.nih.gov), or Dale Weiss, NIDA International Program, at [dweiss@nida.nih.gov](mailto:dweiss@nida.nih.gov).

**International Travel Awards for the NIDA International SPR Poster Session**

A limited number of travel awards are available for international researchers whose abstracts have been accepted for presentation at the 2012 NIDA International SPR Poster Session. The awards, which are sponsored by NIDA and the National Institute on Alcohol Abuse and Alcoholism (NIAAA), provide partial support to cover costs associated with attending the 2012 NIDA International SPR Poster Session and the full SPR meeting.

**To be eligible, applicants must:**

- Use the SPR online registration system to submit a poster abstract that is accepted for presentation at the NIDA International SPR Poster Session.
- Register for and participate in the full SPR meeting.
- Be the first author of the submitted poster abstract.
- Be a citizen or permanent resident of a country other than the United States.

**Binational Research Teams:** If the primary abstract author is a U.S. citizen (and thus ineligible for a travel award), the research team may nominate one of the foreign abstract authors who is part of the foreign investigative team for a travel award, as long as the foreign abstract author is a citizen or permanent resident of a country other than the United States and **both** the U.S. primary author and the foreign author intend to participate fully in the NIDA International SPR Poster Session and the full SPR meeting.

**When travel award selections are made, priority will be given to applicants who are:**

- Drug abuse or drug-related prevention researchers supported by NIDA or alcohol-related prevention

researchers supported by NIAAA.

- Alumni of a NIDA- or NIAAA-supported research training or exchange program.
- Citizens or permanent residents of low- and middle-income countries (as identified by the [World Bank's most current Classification of Economies](#)).

Applicants may not have received travel support from the NIDA International Program between July 1, 2011, and June 30, 2012.

International travel award amounts are based on an applicant's residency:

East Asia and Pacific	\$1,750USD
Europe and Central Asia	\$1,250USD
Latin America and the Caribbean	\$1,250USD
Middle East and Africa	\$1,500USD
North America (non-U.S. citizens)	\$500USD

Applicants who accept a travel award to participate in the 2012 NIDA International SPR Poster Session will not be eligible to receive a travel award for the 2012 NIDA International Forum at the College on Problems of Drug Dependence (CPDD) Conference; however, applicants are encouraged to participate in both the NIDA International SPR Poster Session and the NIDA International Forum.
