

**Society for Prevention Research
27th Annual Meeting
“20 x 20” Presentation Instructions**

Schedule

When you arrive on-site please check the author index in the speaker icon in the conference mobile APP to confirm the schedule of your presentation time block and the room assignment. Try to be in your presentation room 10 minutes prior to the starting time. You are expected to be present for the entire 90 minute session.

20 X 20 presentations. 20 x 20 presentations are fast-paced slide presentations that are similar in style to TED talks. The name comes from the standardized format: each presentation is 20 slides set on a 20-second automatic advance. So, each presentation lasts exactly 6 minutes, 40 seconds. The 20-second advance favors slides that focus on a few (even one or two) words or images, not densely packed text. Several presentations will be presented in a single panel.

Like TED talks, these are good presentations to offer commentary, present a new idea, promote a new direction, or emphasize a take-home message from your work that transcends single empirical papers.

Conflict of Interest Statement

When applicable all presenters should include his/her conflict of interest disclosure statement in his/her presentation either orally or within the first slide.

AV Equipment

LCDs are standard in each meeting room. Presenters are asked to bring their own laptops or plan to share with another presenter. All other AV requests required advance approval. Internet access is not available without a charge. If you use a MAC it is a good idea to bring an adapter to connect with the LCD.

Hand-out Materials

We request authors to have materials available in the form of a handout, even if only a one-page abstract; along with contact information to help participants follow up on presentations they heard at the meetings. Please make arrangements to bring any such handouts (25 - 50 copies) and/or be prepared to respond to e-mail requests after the conference.

Chair role 20 x 20 presentations

Introduce the session with a few sentences on the significance of the panel topic. Introduce each presenter by name and talk title (unless they prefer to introduce themselves). Facilitate time keeping for each talk following the 20 x 20 guidelines above.
