

**Society for Prevention Research
30th Annual Meeting
“20 x 20” Presentation Instructions**

Schedule

When you arrive on-site please check the author index in the speaker icon in the conference mobile APP to confirm the schedule of your presentation time block and the room assignment. Try to be in your presentation room 10 minutes prior to the starting time. You are expected to be present for the entire 90 minute session.

20 X 20 presentations. 20 x 20 presentations are fast-paced slide presentations that are similar in style to TED talks. The name comes from the standardized format: each presentation is 20 slides set on a 20-second automatic advance. So, each presentation lasts exactly 6 minutes, 40 seconds. The 20-second advance favors slides that focus on a few (even one or two) words or images, not densely packed text. Several presentations will be presented in a single panel.

Like TED talks, these are good presentations to offer commentary, present a new idea, promote a new direction, or emphasize a take-home message from your work that transcends single empirical papers.

Conflict of Interest Statement

When applicable all presenters should include his/her conflict of interest disclosure statement in his/her presentation either orally or within the first slide.

AV Equipment, WIFI and Internet

LCDs are standard in each meeting room. Presenters are asked to bring their own laptops or plan to share with another presenter. All other AV requests required advance approval. If you use a MAC it is a good idea to bring an adapter to connect with the LCD. We understand that one or more of your co-presenting authors may have been unable to attend the 2022 conference in person. WIFI is available in the hotel but the bandwidth is not intended for use by presenters. If you plan to “Zoom-in” a co-presenter, please use your hot-spot, or request one of the limited meeting rooms with Internet connection by May 20th (jenniferlewis@preventionresearch.org).

Contact Information

We request presenting authors to provide their contact information on the opening/closing slide. We encourage participants to contact presenting authors.

Chair role 20 x 20 presentations

Introduce the session with a few sentences on the significance of the panel topic. Introduce each presenter by name and talk title (unless they prefer to introduce themselves). Facilitate time keeping for each talk following the 20 x 20 guidelines above.
